Masters in Analytics and Management
Scholarship: Women in Business

2021 - 2025 **Warwick Business School, Coventry, UK**
BSc Management (with Marketing), First Class Degree (73%-degree average)
Warwick Undergraduate Global Excellence Scholarship

BUSINESS EXPERIENCE

2025 - 2026 **L'ORÉAL, Vienna, Austria**
Mar - Jun 2026 Sales Coordinator

- Diagnosed underperforming retailer online sales across 6 brands, drove recovery through 2 brand-site launches and 5 targeted campaigns, planned the allocation of a €70k promotional budget
- Developed a briefing document for the Consumer Goods Forum, independently coordinated marketing, category, and retail teams to inform top-to-top meetings with L'Oréal's leadership and global retailers
- Analysed 12 months of sales data across 20 retail displays and 4 sales periods to evaluate brand, category and product-level performance to inform display & sales strategy for next quarters

2025 - 2026 **Brand Activation Intern (6 months)**

- Created a 360° activation for new mascara launch, spanning POS displays, advertising, social media, and retailer e-com measures, which resulted in ~20% revenue uplift in the category
- Built an Excel-based dashboard using Nielsen IQ data, consolidated market and competitor performance, to enable the marketing team to identify growth opportunities
- Designed 15 in-store POS displays across 3 brands, prioritised launches and best-sellers to drive awareness, visibility and boost sales

2024 - 2024 **180 DEGREE CONSULTING, Coventry, UK**
Associate Consultant (Summer cycle)

- Delivered a branding strategy for a non-profit client within a 5-person team, conducted interviews and secondary research to develop 7 actionable recommendations for partnerships and marketing
- Led the physical marketing workstream end-to-end, translated analytical findings into a structured client presentation for senior stakeholders

2023 - 2024 **THE WALT DISNEY COMPANY, London, UK**
Consumer Insights Intern (12-month placement)

- Owned consumer research across the UK and Germany to inform a decision between two retail partners; designed the survey, analysed findings, and built the insights deck, with outputs used in pitches
- Supported a public-sector health project with a UK government body, coordinated across CSR-team and research agency to identify key barriers in healthy habits among pre-schoolers
- Drove a 4-person intern team to deliver a presentation on TikTok's advertising and sales tools, assigned workstreams and ensured accountability within the team and timely delivery
- Synthesised primary and secondary data sources (Kantar TGI) to build franchise performance overviews for senior management covering financial performance, audience segmentation, and consumer sentiment
